DENZA Z9 GT

TECHNOLOGY DRIVES ELEGANCE

Elegance
in Motion

The DENZA Z9GT, the brand's flagship Grand Tourer, redefines what a GT can be.

Guided by the philosophy of "Technology Drives Elegance," the Z9GT seamlessly integrates cutting-edge engineering, exhilarating performance and refined luxury into one sophisticated package. Every detail is deliberate. Genuine leather and real wood trim wrap the cabin in quiet, uncompromising craftsmanship, while beneath the surface lies the soul of a supercar, ready to launch to 100 km/h in under three seconds. This is grand touring at its most elevated: raw power, exceptional luxury, and total command, delivered with effortless elegance.experience.

Power, Refined into Elegance

At the heart of the DENZA Z9GT flagship lies a tri-motor system delivering 850 kW. Yet for all its power, the cabin remains composed. It's a sanctuary that shields you from the intensity outside, while the road disappears beneath you in seconds.

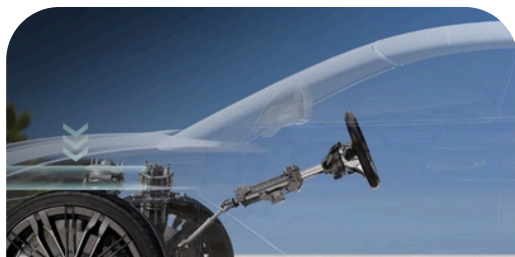

Elegance Through Innovation

Built on BYD's advanced e³ Platform, the DENZA Z9GT integrates the 2nd Generation Blade Battery with Cell-to-Body (CTB) construction to deliver exceptional structural rigidity, enhanced safety, and optimized vehicle dynamics.

Combined with three electric motors and intelligent all-wheel drive, the platform enables exclusive capabilities such as Crab Walk, Compass Turn 360°, and e³ Parking Assist, while the Vehicle Motion Control (VMC) system responds in just 10 milliseconds to deliver outstanding precision and confidence in every drive.

DiSUS-A Intelligent Air Suspension

DiSUS-A Dual Chamber Air Suspension automatically adjusts ride height and damping, giving smoother comfort, better stability, and confident control on all road conditions

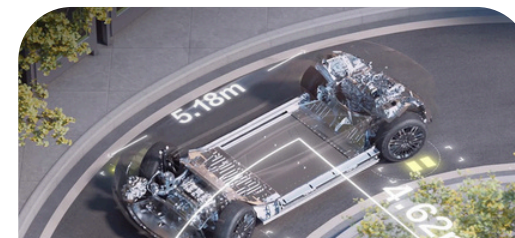

Max 15° Crab Walk Mode

Imagine entering a tight parking space. Instead of making multiple forward and reverse corrections, this can shift sideways, helping position the vehicle more easily and confidently

360° Compass Turn

Pencil compass turn allows the DENZA Z9GT to rotate in a very tight space by coordinating all-wheel steering and torque control, making U-turns and parking significantly easier

Rear Wheel Steering

4.62 m turning radius via 20 independent rear-wheel steering, tighter than most compact hatchbacks despite a 5.1m body

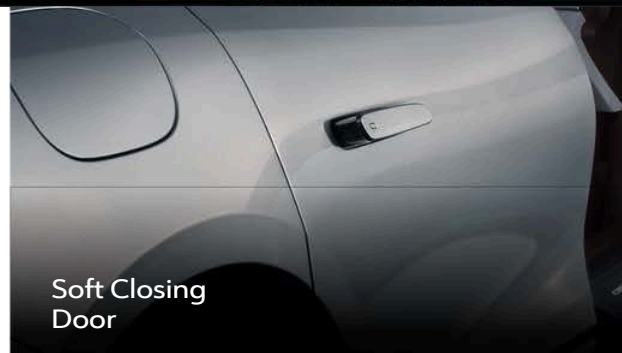

Dimension:
5,180x1,990 mm
Wheelbase:
3,125 mm

The Art of Elegance

Inspired by the fluidity of silk, the DENZA Z9GT features clean, flowing lines that balance refinement, strength and aerodynamic efficiency. A sculpted form that expresses motion with precise intent.

The Golden Ratio Proportions

With a wheel-to-axle ratio of over 3:1 and a wheel-to-height ratio of $> 1/2$, the DENZA Z9GT achieves a sleek, elongated silhouette that expresses balance, presence, and dynamic elegance. This choice shifts the visual center of gravity rearward, generating a low-slung, and highly dynamic stance that mimics high-end sports cars.

Elegance, Designed for Comfort

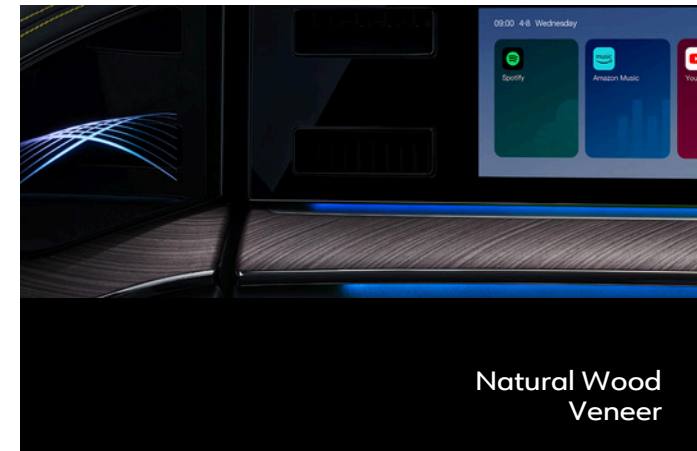

The cabin is spacious, built for presence. Wood panels bring warmth to every surface. Leather seats offer quiet, lasting comfort. A velvet rooftop completes the space with understated refinement. This is elegance, without excess.

Elegance meets Intelligence

The cabin responds before you ask. A smart cockpit anticipates your every move, adjusting with quiet precision. Step your leg near the AR light until it blinks, and the tailgate opens with ease. Intelligent technologies work seamlessly in the background, present but never intrusive. This is luxury that thinks ahead, elegance shaped by intelligence.

DENZA Z9GT AWD EV Specifications

Dimensions	
Overall length (mm)	5,180
Overall width (mm)	1,990
Overall height (mm)	1,490
Wheelbase (mm)	3,125
Trunk volume (L)	495
Front trunk (L)	53
Seating capacity	5
Driving system	
Driving mode	Pure electric all wheel drive Front AC asynchronous motor Rear Permanent magnet
Motor type	synchronous motor
Maximum power (kW)	Front:230 kw Rear:620 kw (310 kW x 2) Total System Output: 850 kW
Maximum torque (N.m)	Front:410 N.m Rear:800 N.m (400 Nm x 2) Total System Output: 1,210 Nm
Performance	
Acceleration 0-100km/h (s)	2.7
Driving range: NEDC (km)	701
Radius of turning circle min. (m)	4.62
Top Speed (km/h)	240
Battery and charging	
Battery type	BYD 2nd Gen Blade Battery
Battery capacity (kWh)	122.49
DC charging: BYD Flash Charging ¹	5 mins from 10-70% SoC; 9 mins from 10-97% SoC
AC charging: 11kW	
AC portable charging connection device	
V2L function (4kW)	
Suspension	
Front Suspension	Double wishbone with dual chamber air suspension (DISUS-A)
Rear Suspension	Multi-Link (5) with dual chamber air suspension (DISUS-A)
Brakes	
Front	Cross-Drilled Brake Discs
Rear	Cross-Drilled Brake Discs
Tyres	
Multi-spoke aluminium alloy wheels	
Tyre size	255/45 R20
Driving functions - Ion	
Driving mode (sport, normal, eco, economy, racing, snow)	
Rear Auto Steering	
3 driving functions (Drift Mode, Crab Walk, Compass Turn, Ultimate Steering System)	Up to 15°
Exterior	
Exterior lighting features include: Active Matrix LED headlights, LED daytime running lights, LED welcome lights for headlights, LED rear combination lights, LED high-mounted brake light, LED fog illuminating lamps for the front seats, LED multi-color gradient ambient lighting with music rhythm on door handle	
Active air-vents	
Intelligent electric powered doors, with soft-close functions	
Frameless windows	
Electric rear tailgate spoiler	
Electric open / close charging port cover	
Front luggage compartment (53 L)	
Electric open / close tailgate, with remote and AR projection operation function	
Electrically adjustable, retractable and heated exterior mirrors	
Interior	
Interior lighting features include: LED Matrix headlights, LED daytime running lights, LED welcome lights for headlights, LED rear combination lights, LED high-mounted brake light, LED fog illuminating lamps for the front seats, LED multi-color gradient ambient lighting with music rhythm on door handle	
Leather wrapped steering wheel	
Electrically-powered steering wheel adjustment, with memory	
13.2" digital drivers' instrument panel	
Genuine leather seats	
Natural wood veneer for dashboard and door panels	
Knitted fleece headlining	
Front row dual 50W wireless chargers	
Rear row single 50W wireless charger	
12 V charging socket	

Comfort & convenience	
Bluetooth key	
NFC key	
UWB key	
Keyless entry & Keyless start	
Electric Parking Brake System (EPB)	
Portable card key	
Augmented Reality Heads-up Display (AR-HUD)	
Safety	
Driver seat with 10-way power adjustments, 4-way power lumbar adjustments and memory functions	
Driver seat with ventilation, heated, massage (5 modes) functions	
Driver seat with Dynamic Side Bolster active adjustment	
Driver seat with 2-way power thigh support	
Front passenger seat with 10-way power adjustments, 4-way power lumbar adjustments and memory functions	
Front passenger seat with ventilation, heated, massage (5 modes) functions	
Front passenger seat with 2-way power thigh support	
Rear passengers seat with 2-way power adjustment (reclining)	
Rear passengers seat with ventilation, heated and massage functions	
Mass button - front passenger seat control	
ISOFIX and LATCH child restraint anchorage points (outer rear seats)	
Safety and Security	
Airbags - (SABO)	
Front airbags - driver & front passenger	
Side airbags - driver & front passenger	
Side airbags - rear passengers	
Side curtain airbags - left and right sides	
Front centre airbag - between driver and front passenger	
Seat belt reminder - front & rear	
360° View Parking Monitor	
Active Tyre Pressure Monitoring System (TPMS)	
Front: 6 parking sensors / radars	
Rear: 6 parking sensors / radars	
Electric Parking Brake System (EPB)	
Anti-Lock Braking System (ABS)	
Electronic Stability Control (ESC)	
Traction Control System (TCS)	
Electronic Brake Force Distribution (EBD)	
Driver fatigue monitor	
Hill Descent Control (HDC)	
Infotainment	
17.3" 2.5K high-res centre touch screen	
13.2" 2.5K high-res drivers instrument panel	
13.2" 2.5K high-res front passenger screen	
Dialink Ecosystem	
Car mounted WiFi hotspot	
Four-zone voice interaction system	
OTA remote upgrade capable	
Mobile phone cloud-computing service	
4G network connection	
Wireless CarPlay and wireless Android Auto	
Google Apps Script (GAS) - Google Map, Voice assistance, Playstore etc	
Karaoke system, with UHF microphone	
Deviate® 20 speaker premium sound system	
BYD voice assistant	
USB - C port x1 + USB - A port x1, Centre console	
USB - C port x2 , Rear	
Light	
LED Matrix headlights, with automatic activation, follow-me-home functions	
Adaptive Front Light (AFL)	
Dynamic welcome lights for headlights	
LED daytime running lights	
LED rear combination lights	
Front and rear dynamic turn signals	
LED high-mounted brake light	
Fog illuminating lamps for the front seats	
Luggage compartment, glovebox and cubby lighting	
Front and rear reading lights (LED)	
Multi-color gradient ambient lighting with music rhythm on door handle	

Windows and mirrors	
Rain sensing intelligent wipers, with integrated washer spray	
Privacy glass for rear doors and rear windscreen	
Front windshield with silver-coated heat insulation and double-layer sound insulation	
Electric heating defogging and defrosting for rear windshield	
Double-layer sound insulation on all four side windows	
One-touch up and down for four windows with anti-pinch function	
Electric adjustment for exterior rearview mirrors	
Automatic anti-glare for external rearview mirrors	
Heating defogging for rearview mirrors	
Automatic lower when reversing for rearview mirrors (curb view, both sides)	
Electric folding for rearview mirrors	
Automatic folding for rearview mirrors when locking	
Exterior rearview mirror position memory	
Outside rearview mirror foot lights	
Digital interior rear view mirrors with automatic anti-dazzling function	
Climate Control	
Automatic air-conditioning	
AC ion purification system + CN95 Filter and negative ion generator	
6-inch LCD screen for rear climate control functions	
Four temperature zone control	
Second row side air vent	
Onboard refrigerator / heater (from -6°C to 50°C)	
Intelligent Driving Assistance System	
Data-based full-scene driving risk assessment and early warning (DARW)	
Adaptive Cruise Control (ACC)	
Intelligent Cruise Control (ICC)	
Forward Collision Warning (FCW)	
Automatic Emergency Braking (AEB)	
Front Cross Traffic Alert/Break (CTA/B)	
Blind Spot Detection (BSD)	
Door Open Warning, DOW	
Rear Collision Warning, RWC	
Rear Cross Traffic Alert/Break, RCTA/B	
Lane Departure Assist, LDA	
Emergency Lane Keeping Assist, ELKA	
Curve Speed Warning, CSW	
Automated Parking Assist, APA	
Intelligent Speed Limit Control **, ISLC	
Intelligent Lane Change Assist **, ILCA	
Traffic Light Attention/Control **, TLTA/C	
Anti-Misappropriation for Accelerator Pedal **, AMAP	
e3Automated Parking Assist **, E3APA	
Remote Parking Assist **, RPA	
Highway Navigation Assist **, HNOA
